

Pre Arrival Grocery List

RULES

This service was created for your convenience to maximize your vacation time. We are charging a \$15.00 USD charge for this service. This money goes directly to the property manager for her time and effort. We as property owners make nothing! No one is obligated to use this service.

1. If something is missed on the list we are sorry but, it is what it is. Mistakes happen and you simply pick up the product when you are in town.
2. Our property manager can only provide this service before you arrive. She will not be going back and forth to town for our guests.
3. If there is a mistake in the order and you got the wrong product, we are sorry! Unfortunately, you will have to take the product and pay accordingly.
4. When you arrive be prepared to pay the Grocery receipt in USD as well as her \$15.00 USD service fee. That means make sure you have enough money. Not paying or not having enough effects the program for everyone.
5. The property manager will give you the exact bill she received from the grocery store. The bill is non-negotiable and will need to be paid. The only reason it would vary is if the teller made a mistake. You may take the receipt to the store and attempt reconciliation.
6. You must print very clearly to minimize making mistakes while ready the list.
7. Once your list is complete take a picture of the list and send it to infor@nicaraguaforyou.com with your pre arrival form.
8. Make sure you sign the document.

I have read the rules and fully understand and agree to the rules.
